Job Summary

Moris Media is currently hiring for **Customer Care Executive** in Switzerland for moCal. This role is pivotal in ensuring that our customers receive exceptional support and service for the moCal brand. As a Customer Care Executive, you will be responsible for addressing customer inquiries, resolving issues, and providing detailed information about our products and services. In this position, you will interact with customers through various communication channels, including phone, email, and live chat. Your goal will be to deliver prompt, accurate, and empathetic assistance, ensuring that each customer interaction is handled with professionalism and care. You will need to have a deep understanding of moCal's offerings to effectively guide customers and resolve any issues they may encounter. Your role will also involve documenting customer interactions and maintaining detailed records of issues and resolutions. Collaborating with other teams to address complex or escalated issues will be a key part of your responsibilities. You will play a crucial role in identifying patterns in customer feedback, which will help in improving our services and addressing recurring concerns. As a Customer Care Executive for moCal, you will need to be adaptable, patient, and proactive in addressing customer needs. Your commitment to delivering a positive customer experience will directly impact our brand's reputation and customer satisfaction levels. This role requires a strong focus on providing high-quality service and continuously seeking ways to enhance the customer experience.

Primary Responsibilities

- Address and respond to customer inquiries and issues via phone, email, and live chat, ensuring timely and accurate assistance.
- Provide detailed information about moCal's products and services to customers, helping them understand and utilize our offerings effectively.
- Deliver exceptional customer service with professionalism, empathy, and a focus on resolving issues promptly and accurately.
- Maintain a deep understanding of moCal's offerings to effectively guide customers and address any problems or questions they may have.
- Document all customer interactions meticulously, including issues reported, solutions provided, and follow-up actions taken.
- Collaborate with other teams, including technical support and product development, to resolve complex or escalated customer issues.
- Identify patterns in customer feedback and complaints, providing insights that contribute to improving moCal's services and customer satisfaction.
- Follow established procedures and protocols for handling customer complaints and issues, ensuring compliance with company policies.
- Proactively seek to enhance the customer experience by identifying areas for improvement and suggesting solutions.
- Manage and prioritize multiple customer interactions simultaneously while maintaining a high level of service quality.
- Maintain accurate and up-to-date records of customer interactions, issues, and resolutions in the company's CRM system.

- Stay informed about updates and changes to moCal's products and services to provide customers with the most current information.
- Provide feedback to management regarding recurring issues or areas of concern that may require further attention or improvement.
- Assist in the development and refinement of customer support processes and documentation to improve overall efficiency.
- Contribute to a positive team environment by sharing knowledge, supporting colleagues, and participating in team meetings and training sessions.
